## LAPTOP/I-PAD REPAIR COST LIST

Upon acceptance of a Roseville Community Schools 1:1 device, a signature form was signed acknowledging the responsibility of the user to pay for damages related to the device. See below information for cost assessment information:

**\*\*Roseville Community Schools will inform you if there are any fees associated with your device. \*\***

The following list provides a break down of costs related to device specific damages. If it is determined that a problem is the result of a faulty device and not the result of an accident or misuse, repairs may be covered under warranty and charges would not be passed on to the family. Examples of such instances may include blinking caps lights, device not powering on (with no physical damage, liquid or otherwise), or battery malfunction.

1. The replacement cost of the device is approximately \$300 and includes: the device, device case (if provided), charger, software applications (apps) including assorted programs/accessories specific to individual classes.
2. If a device sustains minor damages, the fee assessed will be:
  - 1st incident-parent will pay \$25
  - 2nd incident-parent will pay \$50
  - 3rd incident-parent will pay full cost of repair plus \$50 or cost of replacement, whichever is less.
  - An example of minor damages would be a broken charging port, a broken audio port where headphone broke off, or a device that is turned in with stickers or marked up with marker/paint.
3. In the event that a device is extensively damaged, the parent/guardian will be assessed a fee up to \$300 for the repair or replacement of the device. Excessive damage would constitute a combination of damages that add up to more than the cost of the device, damages that cannot be repaired, or damages that are considered malicious destruction of school property.
4. If a device is lost or stolen, a police report must be made within ten (10) days. If proof of a police report is provided to the District, the following fee will be \$300.
5. Other repair costs include
  - Laptop
    - ◇ Broken Screen: \$100
