

HALLWAY HERO PROGRAM

Hallway Heroes is an anti-bullying program that has been implemented at RMS to decrease the incidence of bullying in the school.

We want to encourage students to **STAND UP** and **SPEAK OUT** about Bullying to help keep RMS safe!!

By holding students to a higher standard of behavior we are empowering them to help change the climate of their school

Staff members nominate Hero's in the Hallway when they catch a student doing something nice or positive for another student. (example: helping a student pick up books they dropped).
