## Restorative Programs

Roseville Middle School has adopted Restorative Justice as a model for helping students to accept responsibility for and to improve their behavior. When students choose to act in ways which are disruptive to the educational process or which interfere with their own education, the Restorative Justice system is utilized. Below is a small list of the different aspects of the Restorative Justice system used at the middle schools.

- Peace Circles
- Restorative Justice Conference
- Positive Peer Group
- Restorative Justice Mentoring
- Classroom Circles
- Restorative Service Hours
- Positive Peer Mentoring
- Hallway Hero Program

## Staff

Roseville Community School teachers meet all State of Michigan requirements for the positions to which they are assigned.

## Technology

Roseville Middle School is one of the most technologically sophisticated schools in Macomb County. We are proud that advanced technology is in use in all curricular programs.

The district has wireless internet throughout our buildings, six permanent computer labs, iPads available for every student to use and a variety of enhanced interactive classroom technology programs and devices.

## Mission Statement

The mission of Roseville Middle School, in partnership with students, community and home, is to develop contributing members of society and life-long learners prepared to meet the challenges of the futures.
