Student Absences / Contagious Illnesses

Parents, just a couple of reminders for when you are calling your child in absent. First, please dial 445-5747 to leave a message on the attendance voice mail; it is available 24 hours. If your child is going to be late and you need to order hot lunch, please call the main number, 445-5745 before 10:00AM. Secondly, if your child is out sick for an illness that is contagious, please be sure to include that information in your voice mail.

In order to avoid spreading contagious illnesses, your child needs to be fever free for 24 hours before returning to class. Please bring in a doctor's note to excuse your child's absence if you had to take your child to the doctor.

STEENLAND ELEMENTARY MISSION STATEMENT

The mission of Steenland School is to provide appropriate learning experiences in a caring, motivating environment, enabling all students to develop into responsible, productive citizens of a global society.

COLD WEATHER

Now that the cooler weather has arrived, please be sure your child is properly dressed for the cold weather. Your child should have a warm coat or jacket, boots if necessary, as well as gloves or mittens, and a hat to protect against the cold. Students will be permitted to enter the building at 8:30 a.m.

During recess, students will go outside for at least some time as long as the actual temperature and the wind chill are not below 10° Fahrenheit, and the playground is not too wet. Please encourage your child to wear their cold weather gear during recess. It's a good idea to put an extra pair of socks in your child's backpack in case his or her feet do get wet.

Normally, students who are too ill to take part in outdoor play are considered to be too ill to be in school. Therefore, we request that parents DO NOT send notes asking to keep their child in during recess. Indoor supervision is not available.

If weather/road conditions should ever necessitate the cancellation of school, announcements will be made on stations WJR 760 AM and WWJ 950 AM. When day class is cancelled, adult education and all child care programs will also be cancelled.

Costume / Holiday Donations Needed!

Are you wondering what to do with Halloween Costumes (sizes 8-14) your child doesn't wear anymore? Do you have big boxes, extra Christmas wrapping paper or Holiday decorations that you would like to recycle? If you said "YES", then the Steenland Drama Club needs you! We will be collecting the above items now through the end of November to help with our upcoming productions. There will be a bin in the lobby for you to drop off your items, or if you have really big boxes you can bring them to Mrs. Castle's room! We appreciate any donations you can make to help our Drama Club bring stories to life!

CVD

Parents,

Cold and flu season is upon us now. Many students are sent to the office because they are not feeling well. The office uses a lot of tissues and disinfectant wipes. If you are able to donate any of these items, please send them to the office. Thank you.
